Each meeting will be composed of 23 heats:

Main Event: 20 heats (heats 1-20)

Semi-Finals: 2 heats (heats 21-22)

Final: (heat 23)

All heats will be run with a maximum of 4 riders over 4 laps.

Riders will be awarded race points according to their finish position in each race: 3 points for first place, 2 points for second place, 1 point for third place and 0 points for fourth place. Riders must finish race on lead lap to earn points.

After heat 20, there will be an intermediate classification from the 1st to 18th place according to the total race points each rider has scored during the Main Event.

The top 8 scoring riders from the Main Event (the Intermediate Classification) will qualify for the Semi-Finals. The winner and second place riders in each Semi-Final will qualify for the Final.

Riders placed 1st, 4th, 6th, and 7th in the intermediate classification will take part in Semi-final 1 (Heat 21).

Riders placed 2nd, 3rd, 5th, and 8th in the intermediate classification will take part in Semi-final 2 (Heat 22).

Positions 1 to 4 in the final classification will be according to the result of the Final (Heat 23).

Riders' gate positions for each Semi-Final (Heats 21 and 22) will be chosen by the riders, in the order determined by their position in the Intermediate Classification. In Heat 21, the rider in 1st position will have first choice of gate position, followed consecutively by the riders in 4th, 6th, and 7th positions. In Heat 22 the rider in 2nd position will have first choice of gate position, followed consecutively by the riders in 3rd, 5th, and 8th positions.

Riders' gate positions for Final (Heat 23) will be chosen by the participating riders prior to the Heat in the order of their finishing place in the Semi-Finals. The two winners will have first and second choice with the highest scoring rider picking first and the two-second placed riders will have third and fourth choice with the highest scoring picking third.

The draw order of the two winners and the two second placed riders shall be determined by their total race points scored, including the points they scored in the Semi-Finals. The rider with the highest number of points will have the first choice of gate position, and so on.

All other heats have pre-fixed starting positions in accordance with the Race Format.

Points are awarded according to the total race points scored in the whole Event (Heats 1-23).

Ties: After the completion of Heat 20, 21 or 22

When establishing the order between the riders in the list of Intermediate Classification at the conclusion of Heat 20, or following the completion of the Semi-Final Heats 21 and 22, any ties will be solved as follows:

a) Precedence will be given to the riders (tied on race points) having the greatest number of 1st, 2nd, 3rd, or 4th placings (a "0" for last placing is better than being disqualified for whatever reason).

b) If the tie still persists and involves only 2 riders, precedence will be given to the better-placed rider in the heat or heats where the 2 riders met.

c) If the tie still persists and involves more than 2 riders, it shall be checked whether there is a possibility to determine a proper precedence (e.g., 3 riders tied on points: A, B, C:

- * Rider A has beaten rider B
- * Rider A has beaten rider C
- * Rider B has beaten rider C

Then the precedence will be best position for rider A, then rider B and then rider C.
